

Greetings!

Thank you for your interest in the Internal Medicine Residency at Kaiser Permanente Fontana Medical Center. Attached is our application for Clerkship. We offer the following experiences:

- Inpatient Medicine Wards (1 - 2 slots monthly)
- Pulmonary Medicine (1 slot monthly)
- ICU Rotation (1 slot monthly)
- Ambulatory Clinic (1 slot monthly)

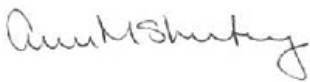

All applications are reviewed on a case-by-case basis and must be complete before they are reviewed/approved. Process is as follows:

1. Completed application is received with all supporting documents.
2. Calendar is reviewed for open slots, we require a minimum of 3 choices.
3. If there is availability, application is reviewed.

Applicant will be emailed upon approval, denial, or if there are no slots available. Please allow up to 4 weeks for complete approval process before you follow up with the office. You may email your application or send via US mail, FAX is not accepted. We understand that your school may need to send documents separately; again, email is acceptable.

We reserve the right to deny applications based on academic performance or test scores. Our clerkship program is very competitive and we have a number of applications that come through VSLO. All slots are first-come, first-served, based on receipt of complete application.

Sincerely,

Ann Sherfey
